

## **Declaration of EU RoHS Compliance**

## The Vicor VIA DCM<sup>TM</sup>/VIA AIM<sup>TM</sup>/VIA PFM<sup>TM</sup>/VIA MFM<sup>TM</sup> Series Platform

## CE

## **Compliance Certificate for Vicor RoHS Branded Products**

Vicor certifies that to the best of its knowledge RoHS Branded products meet the Directive 2011/65/EU of the European Union's Restriction of the use of certain Hazardous substances in Electrical and Electronic Equipment (also known as the "RoHS Recast"), with amending Directive (EU) 2015/863 dated June 4, 2015.

Applicable Assemblies in this Family Group claim EU RoHS Exemptions 7a and 7cl.

This certificate is applicable to the following Banned Substances and the maximum concentration values as listed in the table below:

| BANNED SUBSTANCE<br>(Element / Compound) | ROHS MAXIMUM CONCENTRATION LIMIT (PPM) |
|--|--|
| Cadmium (CD)                             | 100                                    |
| Lead (Pb)                                | 1,000                                  |
| Mercury (Hg)                             | 1,000                                  |
| Chromium (Cr6)                           | 1,000                                  |
| Polybrominated Biphenyls (PBBs)          | 1,000                                  |
| Polybrominated Diphenyl Ethers           | 1,000                                  |
| Decabromo Diphenyl Ether (Deca-BDE)      | Banned                                 |
| Bis(2-Ethylhexyl) phthalate (DEHP)       | 1,000                                  |
| Benzyl butyl phthalate (BBP)             | 1,000                                  |
| Dibutyl phthalate (DBP)                  | 1,000                                  |
| Diisobytyl phthalate (DIBP)              | 1,000                                  |

In addition, Vicor requires that its parts and material suppliers provide their company's declaration sheet that guarantee their products comply with RoHS Directive as well.
